Dear business leader:

I'm writing to invite you to my second annual Business Development Seminar, in conjunction with the U.S. Commercial Service and Gannon University's Small Business Development Center on Tuesday August 3, where you will have a chance to meet with knowledgeable officials and technical experts that can help you with your business concerns.

As a business owner or manager in Western Pennsylvania, you know first-hand the difficulties facing the local economy. We have mobilized the federal government to help you with your business. Representatives from federal agencies will come to Gannon University to give a seminar about their services and how you can make sure your business survives and thrives.

Through a series of break out sessions, you will have the opportunity to choose from a wide range of topics including briefings on international markets for your products and services, international and domestic finance issues, international business procedures, and selling to the US government.

The agenda and presenters are still being confirmed, but in the meantime, please save the date: August 3, 8:30-3:00 PM at the Yehl Ballroom in Gannon University's Waldron Center at 7th & Peach Street in Erie. Lunch will cost \$12.00. A check can be made payable to Gannon SBDC and presented at check-in.
